CCNW- Role Specification

Role: Conservation Supervisor (Plant and Machinery)

Company: Conservation Contracts North West Ltd

Salary: £18,000-20,000 pa

Location: Throughout the North West of England

Website: <http://www.ccnw.info>

What do we do?

Conservation Contracts North West is a professional environmental contracting and consulting firm, specialising in habitat management on all aspects of environmentally & ecologically sensitive projects across the north of England, as well as undertaking project work further afield.

We provide an integrated and comprehensive service for local authorities, government agencies, commercial clients, community groups, utility companies and land owners, working in partnership to improve the natural environment.

An opportunity has arisen for an experienced Conservation Operative (Plant and Machinery) to strengthen our existing experienced teams.

The role responsibilities include the following:

- Carry out day-to-day implementation of maintenance and landscaping work on various sites across the north of England
- To operate mobile plant (360 Excavator & Dumpers) to aid implementation and provide support for the delivery of conservation projects on CCNW sites
- Have previous experience of rural groundwork, hard and soft landscaping
- Have previous experience of Maintaining, rebuilding or creating Public Rights of Way
- Ability to work flexibly, as part of a team and to work to Operation Managers instruction
- To be responsible for CCNW's local resources (premises, vehicles, plant and equipment protective clothing, tools and materials) and for ensuring they are maintained, serviced and replaced as appropriate
- To ensure all practical work is carried out adhering to all health and safety procedures.
- Trained and competent in the use of mobile plant within a range of varying habitats would be desirable
- Have an active interest in the outdoor environment
- To work to CCNW's policies, practices and procedures and to effectively communicate these to junior staff if required
- Have a full driving licence that enables you to drive in the UK with the ability to tow trailers B&E
- Flexibility and 'can do' attitude are essential and carrying out any other reasonable duties required to perform the job role and to assist the management team in achieving CCNW's objectives.
